*(Incorporated in the Republic of South Africa with limited liability
under Registration Number 1998/021121/06)*

ZAR6,000,000,000 Unsecured Subordinated Note Programme

On 24 July 2006 Sanlam Life Insurance Limited (the "Issuer") established a ZAR3,000,000,000 unsecured subordinated note programme (the "Programme") for the issue of notes (the "Notes") thereunder from time to time. Pursuant to the Programme, the Issuer issued a programme memorandum dated 24 July 2006 (the "Original Programme Memorandum"). The Original Programme Memorandum was updated by the Issuer on 8 August 2013 (the "Previous Programme Memorandum"). The Issuer wishes to update and replace the Previous Programme Memorandum and accordingly wishes to enter into this amended and restated Programme Memorandum. With effect from the date of signature of this Programme Memorandum, this Programme Memorandum will replace the Previous Programme Memorandum in all respects. The Original Programme Memorandum and the Terms and Conditions of the Notes described therein will remain in force and will continue to apply to all Notes issued under the Original Programme Memorandum until those Notes are redeemed in full.

Under the Programme, the Issuer may from time to time issue Notes denominated in South African Rand subject to the terms and conditions ("**Terms and Conditions**") described in this Programme Memorandum. Any other terms and conditions not contained in the Terms and Conditions which are applicable to any Notes will be set forth in a pricing supplement (the "**Applicable Pricing Supplement**") issued in relation to such Notes. Details of Notes to be issued, including the aggregate nominal amount of such Notes, interest (if any) payable in respect of such Notes and the issue price of such Notes will also be set forth in the Applicable Pricing Supplement.

Save as set out herein, the Notes will not be subject to any minimum or maximum maturity and the maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed ZAR6,000,000,000 or such other limit as may apply to the Programme from time to time and notified to the JSE (as defined below).

The Programme has been approved by the JSE Limited, a licensed financial exchange in terms of the Financial Markets Act (the "**JSE**"). Notes may be listed on the Interest Rate Market of the JSE, or any successor exchange or on such other or further exchange(s) as may be determined by the Issuer and subject to any Applicable Law. Unlisted Notes may also be issued under this Programme. With respect to Notes to be listed on the Interest Rate Market of the JSE, the Applicable Pricing Supplement will be delivered to the JSE and the Central Securities Depository (as defined in the section entitled "*Terms and Conditions of the Notes*") before the date of issue of such Notes and the Notes may be traded by or through members of the JSE from the date specified in the Applicable Pricing Supplement.

The Issuer may determine that a particular tranche of Notes will not be listed on the Interest Rate Market of the JSE or any other exchange. With respect to the Notes that are not listed on the Interest Rate Market of the JSE, the placement of such unlisted Notes may be reported through the JSE's reporting system in order for the settlement of trades to take place in accordance with the electronic settlement procedures of the Interest Rate Market of the JSE and the Central Securities Depository. In such event, the Applicable Pricing Supplement will be delivered to the Interest Rate Market of the JSE and the Central Securities Depository. With respect to Notes that are not listed on the Interest Rate Market of the JSE and not to be settled through the electronic settlement procedures of the Interest Rate Market of the JSE and the Central Securities Depository, no Applicable Pricing Supplement will be delivered to the Interest Rate Market of the JSE.

The Notes may be issued on a continuing basis and be placed by one or more of the dealers specified under the section entitled "*Summary of the Programme*" and any additional dealer appointed under the Programme from time to time, which appointment may be for a specific issue or on an on-going basis (each a "**Dealer**" and together the "**Dealers**").

The Applicable Pricing Supplement will reflect the rating, if any, which has been assigned to the Issuer, the Programme and/or a Tranche of Notes, as the case may be, as well as the Rating Agency which assigned such rating.

The Issuer may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions, in which case the Applicable Pricing Supplement issued in relation to such Notes will describe the form of such Notes.

The holders of Notes that are listed on the Interest Rate Market of the JSE may claim against the BESA Guarantee Fund Trust (in accordance with the rules of the BESA Guarantee Fund Trust) only if such Notes are traded by or through members of the JSE in accordance with the rules and operating procedures for the time being of the JSE and the Central Securities Depository. The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE or BESA Guarantee Fund Trust even if such Notes are settled through the electronic settlement procedures of the JSE and the Central Securities Depository. Claims against the BESA Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the BESA Guarantee Fund Trust. Unlisted Notes are not regulated by the JSE.

The Issuer will obtain the prior approval of the Registrar of Long-Term Insurance in terms of section 24(a)(i) of, and paragraph 7(2) of Schedule 3 to, the Long-Term Insurance Act (or any act or legislation that amends or substitutes the Long-Term Insurance Act), prior to the issuance of any Notes.

The Issuer certifies that to the best of its knowledge and belief there are no facts that have been omitted from this Programme Memorandum which would make any statement false or misleading and that all reasonable enquiries to ascertain such facts have been made and that this Programme Memorandum read with each Applicable Pricing Supplement, contains all information required by law and the JSE Debt Listings Requirements. The admission of any Tranche of Notes to the list of debt securities maintained by the JSE and the listing of such Notes on the Interest Rate Market of the JSE is not to be taken as an indication of the merits of the Issuer or the Notes. other document entered into in relation to the Programme or any other information supplied by the Issuer in connection with the issue and sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Arrangers, the Dealers or other professional advisors named herein.

Neither this Programme Memorandum nor any other information supplied in connection with the Notes or the Programme is intended to provide a basis for any credit or other evaluation, or should be considered as a recommendation by the Issuer, the Arrangers, the Dealers, the JSE and/or the Debt Sponsor to subscribe for or purchase any Notes.

Each person contemplating the subscription for or purchase of any Notes should determine for itself the relevance of the information contained in this Programme Memorandum and should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer and its subscription for or purchase of Notes should be based upon any such investigation as it deems necessary. Neither this Programme Memorandum nor any Applicable Pricing Supplement nor any other information supplied in connection with the Notes constitutes an offer or invitation by or on behalf of the Issuer, the Debt Sponsor, the Arrangers or any of the Dealers to any person to subscribe for or to purchase any Notes.

A summary of the Programme and the Terms and Conditions appears below.

This Programme Memorandum and any supplement will only apply to Notes issued under the Programme in an aggregate Principal Amount which, when added to the aggregate Principal Amount then outstanding of all Notes previously or simultaneously issued under the Programme, does not exceed ZAR6,000,000,000 unless such amount is increased as set out below and in the Programme Agreement. - 4.1.2 The Issuer, the Transfer Agent and the Paying Agent may deem and treat the registered holder of any Certificated Notes as the absolute owner of the Notes registered in the Noteholder's name (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice

Accordingly, no amount shall be eligible for set-off or shall be payable to any or all the persons entitled to be paid amounts due in respect of the Notes in respect of the obligations of the Issuer thereunder until all other indebtedness of the Issuer which is admissible in any such dissolution, insolvency or winding-up (other than Subordinated Indebtedness) has been paid or discharged in full. The Notes will not be subordinated to any categories of share capital of the Issuer.

6 **SET-OFF**

7 INTEREST

7.1 Interest on Fixed Rate Notes

7.1.1 Except if otherwise specified in the Applicable Pricing Supplement, interest on Fixed Rate Notes will be paid on a semi-annual basis, on the Interest Payment Dates.

7.1.2 Each Fixed Rate Note bears interest on its outstanding Principal Amount from (and including) the Interest Commencement Date to (but excluding) the Redemption Date at the rate(s) per annum equal to the Fixed Interest Rate(s). Such interest shall fall due for payment in arrears on the Interest Payment Date(s) in each year and on the date of early redemption in accordance with Condition 8.5, or the Redemption Date, as the case may be, if either such date does not fall on an Interest Payment Date.

7.1.3 The first payment of interest will be made on the Interest Payment Date next following the Interest Commencement Date.

7.1.4 Except if otherwise specified in the Applicable Pricing Supplement, the amount of interest payable in respect of any six-month period shall be calculated by dividing the Fixed Interest Rate by two and multiplying the product by the Principal Amount, provided that -

7.1.4.1 if an Initial Broken Amount is specified in the Applicable Pricing Supplement, then the first Interest Amount shall equal the Initial Broken Amount specified in the Applicable Pricing Supplement; and

7.1.4.2 if a Final Broken Amount is specified in the Applicable Pricing Supplement, then the final Interest Amount shall equal the Final Broken Amount.

7.1.5 Save as provided in the preceding paragraphs, if interest is required to be calculated for a period other than 1 (one) year (in the case of annual interest payments) or other than 6 (six) months (in the case of semi-annual interest payments), as the case may be, such interest shall be calculated on the basis of the actual number of days in such period divided by 365.

7.2 Interest on Floating Rate Notes

7.2.1 Interest Payment Dates

Each Floating Rate Note bears interest on its outstanding Principal Amount from (and including) the Interest Commencement Date to (but excluding the Redemption Date) at the rate equal to the Interest Rate. Such interest shall fall due for payment in arrears on the Interest Payment Date(s) in each year and on the date of early redemption in accordance with Condition 8.5 or the Redemption Date, as the case may be, if either such date does not fall on an Interest Payment Date. The first payment of interest will be made on the Interest Payment Date next following the Interest Commencement Date.

7.2.2 *Interest Rate*

The Interest Rate payable from time to time in respect of the Floating Rate Notes will be determined -

- (a) on the basis of ISDA Determination; or
- (b) on the basis of Screen Rate Determination; or
- (c) on such other basis as may be determined by the Issuer,

all as indicated in the Applicable Pricing Supplement.

7.2.3 *ISDA Determination*

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period will be the relevant ISDA Rate (as defined below) plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any).

For the purposes of this Condition 7.2.3 -

"ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by such Transfer Agent as is specified in the Applicable Pricing Supplement under an interest rate swap transaction if that Transfer Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which -

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either: (i) if the applicable Floating Rate Option is based on the ZAR-JIBAR rate on the first day of that Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

"Floating Rate", "Floating Rate Option", "Designated Maturity" and **"Reset Date"** have the meanings given to those terms in the ISDA Definitions.

When this Condition 7.2.3 applies, in respect of each Interest Period such agent as is specified in the Applicable Pricing Supplement will be deemed to have discharged its obligations under Condition 7.2.6 in respect of the determination of the Interest Rate if it has determined the Interest Rate in respect of such Interest Period in the manner provided in this Condition 7.2.3.

7.2.4 *Screen Rate Determination*

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Interest Rate is to be

determined, the Interest Rate for each Interest Period will, subject as provided below, be either -

- (a) If the Relevant Screen Page is available,
 - (i) the offered quotation (if only one quotation appears on the screen page); or
 - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at 11h00 (Johannesburg time) on the Interest Determination Date in question, plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- (b) If the Relevant Screen Page is not available or if, in the case of (i) above, no such offered quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks (as defined below) to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11h00 (Johannesburg time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Interest Rate for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.
- (c) If the Interest Rate cannot be determined by applying the provisions of (a) and (b) above, the Interest Rate for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, in respect of deposits in an amount approximately equal to the Principal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, to Reference Banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If less than two of the

Reference Banks provide the Calculation Agent with such offered rates, the Interest Rate for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the Principal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, by four leading banks in Johannesburg (selected by the Calculation Agent and approved by the Issuer) plus or minus (as appropriate) the Margin (if any). If the Interest Rate cannot be determined in accordance with the foregoing provisions of this paragraph, the Interest Rate shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than the ZAR-JIBAR rate, the Interest Rate in respect of such Notes will be determined, in the manner provided above, or as may be provided in the Applicable Pricing Supplement.

"Reference Banks" means for the purposes of this Condition 7.2.4 four leading banks in the South African inter-bank market selected by the Calculation Agent and approved by the Issuer.

7.2.5 *Minimum and/or Maximum Interest Rate*

If the Applicable Pricing Supplement specifies a Minimum Interest Rate for any Interest Period, then, in the event that the Interest Rate in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Interest Rate, the Interest Rate for such Interest Period shall be such Minimum Interest Rate. If the Applicable Pricing Supplement specifies a Maximum Interest Rate for any Interest Period, then, in the event that the Interest Rate in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Interest Rate, the Interest Rate for such Interest Period shall be such Maximum Interest Rate.

7.2.6 *Determination of Interest Rate and calculation of Interest Amount*

The Calculation Agent will, in the case of Floating Rate Notes, on or as soon as practical after each time at which the Interest Rate is to be determined, determine the Interest Rate and calculate the Interest Amount payable for the relevant Interest Period, and the Calculation Agent shall notify the Issuer of the Interest Rate for the relevant Interest Period as soon as practicable after determining or calculating the same but in any event no later than 4 (four) Business Days thereafter. Unless stated otherwise in the Applicable Pricing Supplement, each Interest Amount shall be calculated by multiplying the Interest Rate by the Principal Amount, then multiplying the product by the applicable Day Count Fraction and rounding the resultant product to the nearest smallest denomination of the Specified Currency, half of any such denomination being rounded upwards.

"Day Count Fraction" means in respect of the calculation of the Interest Amount for any Interest Period -

- (a) if **"Actual/365"**, **"Act/365"**, **"Actual/Actual"** or **"Act/Act"** is specified in the Applicable Pricing Supplement, the actual number of days in the Interest Period in respect of which payment is being made divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (i) the actual number of days in that portion of the Interest Period falling in a leap year divided by 365 and (ii) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365); or
- (b) if **"Actual/365 (Fixed)"**, **"Act/365 (Fixed)"**, **"A/365 (Fixed)"** or **"A/365F"** is specified in the Applicable Pricing Supplement, the actual number of days in the Interest Period in respect of which payment is being made divided by 365; or
- (c) if **"Actual/360"**, **"Act/360"** or **"A/360"** is specified in the Applicable Pricing Supplement, the actual number of days in the Interest Period in respect of which payment is being made divided by 360; or
- (d) if **"30/360"**, **"360/360"** or **"Bond Basis"** is specified in the Applicable Pricing Supplement, the number of days in the Interest Period in respect of which payment is being made divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (i) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month or (ii) that last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); or
- (e) such other calculation method as is specified in the Applicable Pricing Supplement.

7.2.7 *Notification of Interest Rate and Interest Amount*

The Calculation Agent will cause the Interest Rate and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Paying Agent, the JSE and the Central Securities Depository and/or every other relevant exchange or authority as soon as possible after their determination but in any event no later than the 3rd (third) Business Day prior to each Interest Payment Date.

Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to the Issuer, the Paying Agent, the JSE, the Central Securities Depository and/or every other relevant exchange or authority and to the Noteholders in accordance with Condition 17.

7.2.8 *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 7.2.8 by the Calculation Agent shall, in the absence of wilful deceit, bad faith, manifest error or proven error, be binding on the Issuer, the Paying Agent and all Noteholders, and no liability to the Issuer, the Paying Agent or the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

7.3 **Interest on Mixed Rate Notes**

The Interest Rate payable from time to time on Mixed Rate Notes shall be the Interest Rate payable on any combination of Fixed Rate Notes, Floating Rate Notes, Zero Coupon Notes or Indexed Notes for respective periods, each as specified in the Applicable Pricing Supplement. During each such applicable period, the interest rate on the Mixed Rate Notes shall be determined and fall due for payment on the basis that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Zero Coupon Notes or Indexed Notes, as the case may be.

7.4 **Interest on Indexed Notes**

In the case of Indexed Notes, if the Interest Rate or Final Redemption Amount falls to be determined by reference to an index and/or a formula, such rate or amount payable shall be determined in the manner specified in the Applicable Pricing Supplement. Any interest payable shall fall due for payment on the Interest Payment Date(s).

7.5 **Interest on Instalment Notes**

In the case of Instalment Notes, interest will accrue on the amount outstanding on the relevant Note from time to time and otherwise as specified in the Applicable Pricing Supplement.

7.6 **Accrual of Interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue at the Interest Rate until the date on which all amounts due in respect of such Note have actually been paid, or, in respect of Uncertificated Notes, the date on which the full amount of the moneys payable has been received by the Central Securities Depository and notice to that effect has been given to Noteholders in accordance with the Applicable Procedures and Condition 17.

7.7 **Business Day Convention**

If any Interest Payment Date (or other date) which is specified in the Applicable Pricing Supplement to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is -

- (a) the "**Floating Rate Business Day Convention**", such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next month, in which event: (i) such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day; and (ii) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months or other period specified as the Interest Period in the Applicable Pricing Supplement after the preceding applicable Interest Payment Date (or other date) has occurred; or
- (b) the "**Following Business Day Convention**", such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or

8.5.1.2 in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Principal Amount, to be determined in the manner specified in the Applicable Pricing Supplement, at that Final Redemption Amount or, if no such amount or manner is so specified in the Pricing Supplement, at their Principal Amount; or

8.5.1.3 in the case of Zero Coupon Notes, at an amount (the "**Amortised Face Amount**") equal to the sum of (i) the Reference Price; and (ii) the product of the Implied Yield (compounded semi-annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or, as the case may be, the date upon which such Note becomes due and payable, or such other amount as is provided in the Applicable Pricing Supplement.

8.5.2 Where such calculation is to be made for a period which is not a whole number of years, it shall be calculated on the basis of actual days elapsed divided by 365, or such other calculation basis as may be specified in the Applicable Pricing Supplement.

The delivery by the Issuer of the Exchange Securities

in the manner set out in the Applicable Pricing Supplement shall constitute the *in specie* redemption in full of such Notes.

8.8 Purchases

The Issuer or any of its Subsidiaries may at any time purchase Notes at any price in the open market or otherwise. Such Notes may, subject to Applicable Law, be held, resold, or, at the option of the Issuer surrendered to the Transfer Agent for cancellation.

Each of the persons shown in the records of the Central Securities Depository and the Participants, as the case may be, shall look solely to the Central Securities Depository or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such Uncertificated Note(s). The Issuer will not have any responsibility or liability for any aspect of the records relating to, or payments made on account of Beneficial Interests, or for maintaining, supervising or review any records relating to such Beneficial Interests. 9.4 **Method of Payment**

9.4.1 Payments of interest and/or principal will be made by means of electronic funds transfer, to the Noteholder.

9.4.2 If the Issuer is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with the preceding paragraph (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, Government interference or control or any other cause or contingency beyond the control of the Issuer), the Issuer shall make such payment by cheque marked "*not transferable*" (or by such number of cheques as may be required in accordance with applicable banking law and practice) to make payment of any such amounts. Such payments by cheque shall be sent by post to the address of the Noteholder as set forth in the Register or, in the case of joint Noteholders the address set forth in the Register of the one of them who is first named in the Register in respect of that Note.

9.4.3 Each such cheque shall be made payable to the relevant Noteholder or, in the case of joint Noteholders of Certificated Notes the first one of them named in the Register. Cheques may be posted by ordinary post, provided that neither the Issuer nor the Paying Agent shall be responsible for any loss in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purposes of all cheques posted in terms of this Condition 9.4.

9.4.4 In the case of joint Noteholders, payment by electronic funds transfer will be made to the account of the Noteholder first named in the Register. Payment by electronic transfer to the Noteholder first named in the Register shall discharge the Issuer of its relevant payment obligations under the Notes.

9.4.5 Payments will be subject in all cases to any taxation or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 10.

9.4.6 Holders of Uncertificated Notes shall not be required to present and/or surrender any documents of title to the Paying Agent, however, they may be required to present such other documentation as the Participant or Paying Agent (to the extent that the Participant is not the Paying Agent in terms of the Applicable Pricing Supplement) may prescribe under its then prevailing rules.

9.5 **Deferred Payment**

9.5.1 **Deferral of Principal**

9.5.1.1 If the Registrar, in relation to a Tranche of Notes, requires the Issuer to defer the payment of any principal (or portion thereof) payable in respect of such Notes, the Issuer shall, by giving a Deferral Notice to the holders of Notes in that Tranche, defer the payment of such principal (or portion thereof) for such period (which may, but will not necessarily be, a defined period), and subject to such conditions, as are prescribed by the Registrar.

9.5.1.2 The Deferral Notice shall specify the Deferred Payment Amount and (if a defined period is prescribed by the Registrar) the Deferred Payment Date. On the giving of a Deferral Notice specifying a Deferred Payment Date, the due date for payment of the Deferred Payment Amount shall be deferred to the Deferred Payment Date. On the giving of a Deferral Notice which does not specify a Deferred Payment Date, the due date for payment of the Deferred Payment Amount shall be deferred to such date in the future on which the Registrar confirms to the Issuer in writing that amounts, the payment of which had previously been deferred pursuant to this Condition 9.5, may be paid to the Noteholders. The Issuer shall not be obliged to make payment of the Deferred Payment Amount on the date upon which such Deferred Payment Amount, in the absence of this Condition 9.5, would otherwise have become due and payable, and a deferral of payment in terms of this Condition 9.5 shall not constitute an Event of Default.

9.5.1.3 Interest will continue to accrue on the Deferred Payment Amount, at the Interest Rate applicable to the relevant Tranche of Notes on the date upon which such Deferred Payment Amount, in the absence of this Condition 9.5, would otherwise have become due and payable, from and including such date to but excluding the Deferred Payment Date.

9.5.2 **Deferral of Interest**

9.5.2.1 *Optional Deferral of Interest*

The Issuer may elect to defer any payment of interest that is otherwise payable on any Optional Interest Payment Date. The deferral of any such interest shall not constitute a default by the Issuer for any purpose under the Notes. If the Issuer elects not to pay interest on an Optional Interest Payment Date, it shall notify the Noteholders (in accordance with Condition 17) of that election as soon as practicable (and, in any event, not less than 5 (five) Business Days prior to any Optional Interest Payment Date in respect of which payment is deferred) of the amount of such payment otherwise due on that date and the grounds on which such deferral has been made. The Issuer may defer paying interest on each Optional Interest Payment Date until the Redemption Date or any earlier date on which the Notes are redeemed in full. Interest will continue to accrue on any amount of interest deferred in accordance with this Condition 9.5.2.1 at the Interest Rate applicable to that Tranche of Notes until the date the amount of interest so deferred is paid.

9.5.2.2 *Mandatory Deferral of Interest*

If on any Interest Payment Date a Solvency Event has occurred or would occur, the payment of interest in respect of the Notes otherwise falling due on such date shall be deferred, provided that in the case where the payment of such interest amount would itself cause a Solvency Event to occur, the Issuer shall only be obliged to defer the payment of the Solvency Shortfall.

The Issuer shall notify the Noteholders of the existence of a Solvency Event in accordance with Condition 17 not less than 5 (five) Business Days prior to the relevant Interest Payment Date. Non-payment of interest pursuant to this Condition 9.5.2.2 shall not constitute a default of the Issuer or any other breach of its obligations under the Notes or for any other purpose. Interest will continue to accrue on any amount of interest deferred in accordance with this Condition 9.5.2.2 at the Interest Rate applicable to that Tranche of Notes until the date the amount of interest so deferred is paid.

9.5.2.3 *Deferral of Interest at the Request of the Registrar*

If the Registrar, in relation to a Tranche of Notes, requires the Issuer to defer the payment of any interest (or portion thereof) payable in respect of such Notes, the Issuer shall, by giving a Deferral Notice (setting out the information referred to in Condition 9.5.1.2) to the holders of Notes in that Tranche, defer the payment of such interest (or portion thereof) for such period (which may, but will not necessarily be, a defined period), and subject to such conditions, as are prescribed by the Registrar. A deferral of interest in terms of this Condition 9.5.2.3 shall not constitute an Event of Default. Interest will continue to accrue on any amount of interest deferred in accordance with this Condition 9.5.2.3 at the Interest Rate applicable to that Tranche of Notes until the date the amount of interest so deferred is paid.

9.5.3 The Issuer may only make payments of amounts of principal and/or interest deferred in terms of this Condition 9.5 with the prior written consent of the Regulator.

9.5.4 All Deferred Payment Amounts which remain unpaid upon the dissolution, winding-up or liquidation of the Issuer shall forthwith become due and payable upon the occurrence of any of the foregoing events. If more than one Deferred Payment Amount remains unpaid, payment in part thereof shall be made to the relevant Noteholders pro rata according to the proportion which each Deferred Payment Amount bears to the aggregate of all of the Deferred Payment Amounts in respect of all Notes Outstanding.

9.6 **Payment Day**

9.6.1 If the date for payment of any amount in respect of any Note is not a Business Day, then -

9.6.1.1 if a Business Day Convention is not specified in the Applicable Pricing Supplement, such date for payment shall be the following Business Day; or

9.6.1.2 if a Business Day Convention is specified in the Applicable Pricing Supplement, such date for payment shall be adjusted according to such Business Day Convention.

9.7 **Interpretation of principal and interest**

The payment of any taxes by the Issuer or the Paying Agent as an agent or representative taxpayer for a Noteholder shall not constitute a withholding or deduction for the purposes of this Condition 10.
- 10.2 In the event of any such withholding or deduction in respect of Taxes being levied or imposed on interest or principal payments on the Notes referred to in Condition 10.1, the Issuer shall pay such additional amounts as shall be necessary in order that the net amounts received by the Noteholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, as the case may be, in the absence of such withholding or deduction except that no such additional amounts shall be payable with respect to any Note -

- 10.2.4 where (in the case of any payment of principal or interest which is conditional on surrender of the relevant Certificate in accordance with these Terms and Conditions) the relevant Certificate is surrendered for payment more than 30 (thirty) days after the Relevant Date except to the extent that the relevant Noteholder would have been entitled to an additional amount on presenting the Certificate for payment on such 30th (thirtieth) day; or

None of the Issuer, the Paying Agent, nor any other person will be required to pay additional amounts or otherwise indemnify a Noteholder for any FATCA Withholding deducted or withheld by the Issuer, the Paying Agent or any other party as a result of any person not being entitled to receive payments free of FATCA Withholding.

- 18.12 Except where otherwise provided, every resolution proposed to be passed at a meeting shall be decided on a poll and in case of equality of votes the Chairman shall have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Noteholder or as a proxy or as a Representative. Each Noteholder present in person or by proxy at the meeting shall have that proportion of all votes capable of being cast which the Principal Amount of the Notes held by the Noteholder bears to the aggregate Principal Amount Outstanding of all the Notes.
- 18.13 The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for the lack of required quorum) have been transacted at the meeting from which the adjournment took place.
- 18.14 Any officer or director of the Issuer, and/or its nominated Representative and/or its lawyers and the Transfer Agent may attend and speak at any meeting. The Issuer shall not be entitled to vote at any meeting in respect of Notes held by it for the benefit of any person and no other person shall be entitled to vote at any meeting in respect of Notes held by it for the benefit of any other person unless duly authorised as contemplated herein. Nothing herein contained shall prevent any of the proxies named in any form of proxy or any representative from being a director, an officer or Representative of or otherwise connected with the Issuer.
- 18.15 Any resolution passed at a meeting of a Class of Noteholders duly convened and held in accordance with the provisions hereof shall be binding upon all the Noteholders of that Class whether present or not present at such meeting and whether or not voting, and all the Noteholders of the applicable Class shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution duly considered by the Noteholders shall be published in accordance with Condition 17 by the Issuer within 14 (fourteen) Business Days of such result being known provided that the non-publication of such notice shall not invalidate such resolution.
- 18.16 Minutes of all resolutions and proceedings at every such meeting as aforesaid shall be recorded and maintained by the Transfer Agent and duly entered in books to be from time to time provided for that purpose by the Issuer and any such minutes as aforesaid if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings had, shall be conclusive evidence of the matters therein contained. Until the contrary is

proven every such meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had thereat to have been duly passed or had.

Notes:

- (1) Attributable earnings include the realised and unrealised investment surpluses arising on the disposal or revaluation to fair value of the underlying investments of the shareholders' fund, including investments in subsidiaries and associated companies. The decline in attributable earnings in 2015 compared to the 2014 financial year is largely due to a relatively weaker investment market performance in the 2015 financial year, which contributed to a reduction in the marked-to-marked-revaluation of the underlying investments of the shareholder's fund.
- (2) The decline in premium income in 2015 compared to the 2014 financial year is due to a high 2014 comparative base, which included a ZAR8.3 billion pension outsourcing policy written, one of the largest policies ever written in South Africa.

7 CAPITAL ADEQUACY REQUIREMENTS AND CAPITAL MANAGEMENT

At 31 December 2015, the capital of the Issuer amounted to ZAR78 billion. After regulatory adjustments, the statutory qualifying capital of the Issuer of ZAR47.8 billion covered its CAR 5.8 times.

Effective capital management is an essential component of meeting the Sanlam Group's strategic objective of maximising shareholder value. The management of the Issuer's capital base requires a continuous review of optimal capital levels, including the use of alternative sources of funding, to maximise return on capital. The Issuer has an integrated capital and risk management approach. The amount of capital required by the various business units is directly linked to their exposure to financial and operational risks. Risk management is accordingly an important component of effective capital management.

The life insurance operations require significantly higher levels of capital than non-life operations. The optimisation of long-term required capital is accordingly a primary focus area of the capital management philosophy given the significant potential to enhance shareholder value. The following main strategies are used to achieve this objective -

- Appropriate matching of assets and liabilities for policyholder solutions. This is especially important for long-duration policyholder solutions that expose the Issuer to interest rate risk, e.g. non-participating annuities.
- Managing the impact of new business on capital requirements by limiting volumes of capital-intensive new business.
- The asset mix of the long-term required capital also impacts the overall capital requirement. An increased exposure to hedged equity and interest-bearing instruments reduces the volatility of the capital base and accordingly also the capital requirement.
- The introduction of long-term debt into the capital structure and the concurrent investment of the proceeds in bonds and other liquid assets, to reduce the volatility in the regulatory capital base with a consequential lower overall capital requirement.
- Management of operational risk. Internal controls and various other operational risk management processes are used to reduce operational risk

and commensurately the allowance for this risk in the calculation of required capital.

The level and nature of the supporting capital is determined by minimum regulatory capital requirements as well as economic, risk and growth considerations. Regulatory capital must comply with specific requirements. For the Issuer a stochastic modeling process is used to assist in determining long-term required capital levels that, within a 95% confidence level, will be able to cover the minimum statutory capital adequacy requirement (CAR) at least 1.5 times over each of the next 10 year-ends. For the smaller life insurance subsidiaries the Issuer sets supporting capital levels as a multiple of their respective regulatory capital adequacy requirements.

The Group Capital committee, an internal management committee, is responsible to review and oversee the management of the Issuer's capital base in terms of the specific strategies approved by the Board.

8 CONTINGENT LIABILITIES

At the end of December 2015, the Issuer had no material commitments or contingent liabilities that were not fully provided for other than future operating lease commitments disclosed in its 2015 annual financial statements.

9 POST-2015 YEAR-END DEVELOPMENTS

No material contingent liabilities arose or events occurred since December 2015 other than those disclosed in the 2015 annual financial statements.

10 STRATEGY

The Issuer's strategic focus, which is aligned with that of the Sanlam Group, remains on delivering on four key strategic areas -

- Achieving growth through a product and distribution capability that is aligned with the Sanlam Group's targeted markets;
- Further improving operational efficiencies to ensure long-term profitability while improving the value proposition for clients;
- Continued emphasis on capital optimisation; and
- Accelerating the positioning of the Sanlam brand through transformation and marketing.

11 RISK MANAGEMENT

In acknowledging its responsibility for enterprise risk management ("ERM") within the Sanlam Group, the Sanlam Board has tasked the Sanlam Risk and Compliance committee to ensure that its responsibilities are fulfilled. A major function of the committee is therefore to analyse and report back to the Board on the status of various risks, including the functioning of the risk management function. To facilitate this process, responsibility for the implementation of and adherence to the Group ERM philosophy has been devolved throughout the governance structures of the Sanlam Group, including the board of directors and the appropriate board committees of the Issuer.

Considered an integral part of the decision-making process in the Sanlam Group, the primary objective of the Sanlam Group's ERM programme is to optimise the Sanlam Group's risk-adjusted return on capital. To ensure an optimal return, an organisation assumes an acceptable level of risk in conducting its operations. This level of risk is dependent on the organisation's risk appetite, as determined and managed by the Sanlam Board. The role of risk management is therefore to enhance the organisation's ability to manage, and not necessarily avoid or eliminate these risks, ensuring that the overall risk profile remains acceptable. This may involve various risk responses or a combination thereof, namely acceptance, mitigation and/or avoidance of the risk.

The ERM policy is regularly reviewed and updated where necessary, evaluating risk as a combination of impact and likelihood. The assessments of the various risks in the Sanlam Group are evaluated on both a quantitative and qualitative basis, while amendments to the ERM policy require Board approval.

The ERM policy sets out the minimum standard of risk management that the various businesses, including the Issuer, have to adopt and adhere to. Rigorous policies, procedures and methodologies have been adopted and implemented throughout the Sanlam Group, enabling the effective identification and management of risks. All processes and procedures have been designed to provide reasonable assurance that the risks are adequately managed. Documented policies, plans and procedures are in place, enabling the Sanlam Group to continue its critical business processes in the event of a disaster. Plans, procedures and policies are revised and tested on a regular basis.

Company secretariat

Sana-Ullah Bray

Company Secretary

All directors have unlimited access to the advice and services of the company secretary, who is accountable to the Board for ensuring that procedures are complied with and that sound corporate governance and ethical principles are adhered to. If appropriate, individual directors are entitled to seek independent professional advice concerning the discharge of their responsibilities at the Issuer's expense. The address of the company secretary is 2 Strand Road, Bellville, Cape Town.

14 CORPORATE GOVERNANCE

The Board promotes and supports high standards of corporate governance and in so doing, endorses the principles of the third report on Corporate Governance in South Africa (King III). Sanlam also complies with the requirements for good corporate governance stipulated in the JSE SRI Index. The Board remains committed to the full implementation of King III, or appropriate equivalent local governance standards and principles, throughout the Issuer group. With regard to the year under review, the directors of the Issuer believe that the King III principles are entrenched in the internal controls, policies and procedures governing corporate conduct within the Company, its major South African operations, as well as to the extent applicable and appropriate, Group operations outside of South Africa. Sound governance principles remain one of the top priorities demonstrated by the Board and in the Issuer's executive management.

The Board is committed to the highest standards of business integrity, ethical values and governance. It recognises the responsibility of the Issuer to conduct its affairs with prudence, transparency, accountability, fairness and social responsibility, thereby ensuring its sustainability and safeguarding the interests of all its stakeholders. The Board also acknowledges the relationship between good governance and risk management practices, the achievement of the Issuer's strategic objectives and equity performance. The Issuer subscribes to a governance

system whereby, in particular, ethics and integrity set the standards for compliance. It constantly reviews and adapts its structures and processes to facilitate effective leadership, sustainability and corporate citizenship in support of its strategy and to reflect national and international corporate governance standards, developments and best practice in all the territories in which it operates.

Board responsibilities and functioning

The Sanlam and Issuer Board meetings are combined meetings and are held concurrently, thereby removing one layer of discussions in the decision-making process. This is an attempt to enhance productivity and efficiency of the two Boards, to prevent duplication of effort and to optimise the flow of information.

The agenda of the Sanlam Board focuses more on Group strategy, capital management, accounting policies, financial results and dividend policy, human resource development, JSE requirements as well as corporate governance throughout the Sanlam Group. It is also responsible for the relationship with key stakeholders in the Sanlam Group. The Sanlam Board has the following Board committees:

- Audit, Actuarial and Finance
- Risk and Compliance
- Human Resources
- Nominations
- Non-executive Directors
- Sanlam Customer Interest
- Social, Ethics and Sustainability

The Issuer's Board is responsible for statutory issues across all Sanlam businesses, monitoring operational efficiency and operational risk issues throughout the Sanlam Group, as well as compliance with Long-term Insurance Act requirements. The responsibility for managing all Sanlam's direct subsidiaries has been formally delegated to the Issuer's Board. The Issuer's Board has the following Board committees:

- Audit, Actuarial and Finance
- Risk and Compliance
- Human Resources
- Sanlam Customer Interest

Board charter

The Board charter (and the committee charters) embraces the Code of Practices and Corporate Conduct in the King III Report which contains the corporate governance guidelines and recommendations. The current Board charter has been modelled on the principles of sound corporate governance, recommended by King III. The powers of the Board include -

- Determination of the overall objectives for the Group;
- Formulation of a clear and concise governance policy which is adhered to;

- The division of the Board's responsibilities and accountability;
- Evaluating performance of the Board, its committee structures and individual directors; and
- Developing strategies to meet those objectives in conjunction with management.

An annual evaluation process to review the effectiveness of the Board, its committees and individual directors has been entrenched.

Committee charters

The Board committee charters, which describe the terms of reference of the sub-committees as delegated and approved by the Board, are reviewed at least annually.

Board composition

As at the 2015 financial year-end the Board comprised 17 members, two of whom were non-executive, 11 were independent non-executives (in accordance with King III's standards of independence) and four executive directors (refer above).

The roles of Chairman and Group Chief Executive remain separated, with Desmond Smith and Ian Kirk holding these positions respectively. The Group Executive committee members are also attendees at the board meetings. At least a third of all Board members retire every year at Sanlam's annual general meeting (AGM). It had been agreed by the Board that executive directors would also rotate on a voluntary basis as per a determined schedule of rotation. Retiring directors are eligible for re-appointment. None of the non-executive directors has a director's service contract and all remuneration paid to non-executive directors for their services as a director is in terms of approval, at the AGM as required by the Companies Act, 2008. Executive directors are full-time employees and as such are subject to Sanlam's conditions of service.

Application of and approach to King III

The Sanlam Life Group's Risk and Compliance committee is satisfied that the Sanlam Life Group will continue to comply with the King III principles during 2016 and has taken steps to ensure adherence with the obligations placed on the Group as a consequence thereof. The Group regularly assesses its compliance level in respect of King III to ensure that all areas that require improvement are appropriately identified and addressed. Details of the Sanlam Limited Group's (Sanlam Group) application of each King III principle is available on the website www.sanlam.com. A number of policies and procedures have been addressed within the main operating companies in the Sanlam Group, including Sanlam Life. The Board has embedded the principles and recommendations of King III across the Group.

Focus areas during the past financial year included -

- Ongoing compliance with and enhancement of the Sanlam Group Corporate Governance Policy Framework;
- The Sanlam Group strategy was refined in December 2015 and is being implemented as appropriate by the Sanlam Life Group;

- The preparation of a comprehensive Sanlam Sustainability Report for 2015;
- Presentation of Sanlam's Remuneration Report to its shareholders, enabling them to cast a non-binding advisory vote on the Company's Remuneration Policy. The disclosure in the 2015 Remuneration Report was updated in line with developing best practice. The Remuneration Policy is also applicable to the Sanlam Life Group;
- The annual evaluation of the independent status of Sanlam's directors in accordance with the King III standards and criteria;
- The members of the Sanlam Group Audit, Actuarial and Finance committee have been elected by the shareholders at the AGM held in June 2015 and this process will be repeated in 2016 as members are selected annually at the AGM;
- Annual review and approval of Sanlam's Risk Appetite Statement has been approved by the Sanlam Life Board;
- Regular refinement of the combined assurance models (CAM) for each significant business within the Group;
- Ongoing adherence to the Group IT Governance Framework and Charter as well as the IT Policy Framework.

Information Technology (IT) is essential for Sanlam and is truly pervasive. The Board's governance of IT directs the strategic and operational use of IT, ensuring benefits are realised at an acceptable and articulated level of risk. IT receives appropriate focus and is viewed as an important enabler of projects that effect change to businesses in the Sanlam Group. Thus, IT Governance is extended to include all major change projects. The IT Governance framework established at Group level extends into the businesses and is tailored to suit their specific needs. Similarly, IT Governance capacity and awareness are established through all Board and management structures within the businesses.

The Board of Sanlam Life continues to entrench the principles and recommendations of King III across the Group. The roll-out and implementation of the King III principles at subsidiary, joint venture and associated company level (including non-South African entities) will continue with special focus on the application of the Group governance policy, disclosure requirements regarding integrated reporting as well as the composition of governance structures.

According to Sanlam's decentralised business approach, each of its business clusters operates in concert with its underlying business units. However, all entities within the Group are required to subscribe to the spirit and principles of King III or appropriate local governance requirements in the case of non-South African businesses. All the business and governance structures in the Group are supported by clear approval frameworks and agreed upon business principles, ensuring a coherent and consistent governance approach throughout the Group.

Refer to the Sanlam Group Annual Report 2015 for a greater appreciation of the application of King III by the Sanlam Group. Specifically, under the Group's Code of Ethical Conduct, no material breaches were reported during 2015. The Group compliance function, together with the compliance functions of the business divisions and units, facilitates the management of compliance through the analysing of statutory and regulatory requirements, and monitoring of the implementation

and execution thereof. Material deviations are reported to the Sanlam Risk and Compliance committee. No material matters of non-compliance with applicable laws, industry regulations and codes, as well as internal policies, were reported during 2015.

15 **STAKEHOLDER COMMUNICATION BY THE SANLAM GROUP**

The Sanlam Group understands and values the information needs of its stakeholders and is committed to the principles of transparency and disclosure. The Sanlam Group's efforts in this regard have been recognised by the investment community at several occasions since listing in 1998.

16 **BLACK ECONOMIC EMPOWERMENT IN THE SANLAM GROUP**

Economic empowerment highlights

In 1993, Sanlam spearheaded Black Economic Empowerment ("BEE") by transferring effective control of Metropolitan Life from Sankorp to the black shareholders of Metlife Investment Holdings, a black-controlled company (85% Black policy-holders at the time), now part of the MMI Group.

In 1996, Sanlam was the first company in Southern Africa to launch a development fund with a view of financing empowerment related projects (providing start-up capital of ZAR100 million).

In 1998, with Sanlam's demutualisation, more than 2,2 million South Africans were given the opportunity to share in the Sanlam Group's future. An estimated 32% were black shareholders and held approximately 20% of the shares (direct shareholding) at the time. The Sanlam Group also paid ZAR278 million into the Government's Umsobomvu Fund for job-creation.

On 20 August 2002, Sanlam was one of the companies who committed to the development of a charter in respect of BEE for the financial sector at the Nedlac Financial Sector Summit. The Board of directors of Sanlam Limited approved Sanlam's BEE policy on 4 December 2002.

In 2003, Sanlam announced a BEE transaction with empowerment consortium Ubuntu-Botho. This transaction was a significant milestone in the Sanlam Group's history whereby Ubuntu-Botho acquired an initial 10% effective equity holding in Sanlam. The transaction reached its final date in December 2013, creating value of approximately ZAR15 billion for its participants. A new formal relationship was concluded with Ubuntu-Botho for a further 10 years. At 31 December 2015, Ubuntu-Botho held 13.5% of Sanlam's issued ordinary shares.

Future Empowerment

Above all things, Sanlam understands that it is inextricably bound to the greater community. The Ubuntu-Botho transaction formalised its commitment to meaningful transfer of ownership. Since the conclusion of the transaction, the Sanlam Group's empowerment partners have facilitated the move into new and emerging markets, assisting the Sanlam Group in attracting and retaining financial services talent. From a social responsibility imperative, the Sanlam Ubuntu-Botho Community Development Trust was established and is contributing to Social Investment programmes.

The Sanlam Group has also made progress on its employment equity strategy. The Sanlam Group has increased the numbers of previously disadvantaged employees,

ensuring that its employee base more closely reflects the changed demographics of its markets. The Sanlam Group has also adopted an affirmative procurement and social investment strategy in line with the Financial Sector Charter.

RISK FACTORS

Words used in this section entitled "Risk Factors" shall bear the same meanings as defined in the section entitled "Terms and Conditions of the Notes", except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

Investing in the Notes involves substantial risks. Prospective investors should carefully consider all of the information in the Programme Memorandum and, in particular, before investing in the Notes, prospective investors should consider the risk factors below and stated elsewhere in the Programme Memorandum. Investors contemplating making an investment in the Notes should make their own investigation and analysis of the financial condition and affairs, and their own appraisal of the creditworthiness, of the Issuer and the terms of the offering and their own determination of the suitability of any such investment, with particular reference to their own investment objectives and experience, and any other factors which may be relevant to them in connection with such investment.

RISK ASSOCIATED WITH THE ISSUER AND ITS BUSINESSES AND FINANCIAL CONDITIONS

See the heading "Risk Factors" under the section entitled "Description of the Issuer".

RISKS RELATING TO THE NOTES

The Notes may not be a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should -

- a) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Programme Memorandum or any applicable supplement;
- b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such an investment will have on its overall investment portfolio;
- c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies (if applicable), or where the currency for principal or interest payments is different from the potential investor's currency;
- d) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- e) be able to evaluate (either alone or with the help of a financial advisor) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments.

They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial advisor) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

There is a limited trading market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently a limited trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. There is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

The Notes may be redeemed prior to maturity

Unless in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the government of South Africa or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Conditions. Notes may also be redeemed prior to their stated maturity upon the occurrence of a Regulatory Event.

In addition, if in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies that the Notes are redeemable at the Issuer's option in certain other circumstances, the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

Because uncertificated Notes are held by or on behalf of the Central Securities Depository, investors will have to rely on their procedures for transfer, payment and communication with the Issuer

Notes issued under the Programme which are listed on the Interest Rate Market of the JSE or such other or additional financial exchange and/or immobilised in the Central Securities Depository may, subject to Applicable Laws and the Applicable Procedures, be issued in uncertificated form. Unlisted Notes may also be lodged and immobilised in the Central Securities Depository in uncertificated form. Notes held in the Central Securities Depository will be issued, cleared and settled in accordance with the Applicable Procedures through the electronic settlement system of the Central Securities Depository. Except in the limited circumstances described in the Terms and Conditions, investors will not be entitled to receive Individual Certificates. The Central Securities Depository will maintain records of the Beneficial Interests in Notes and/or issued in uncertificated form, which are held in the Central Securities Depository (whether such Notes are listed or unlisted). Investors will be able to trade their Beneficial Interests only through the Central Securities Depository and in accordance with the Applicable Procedures.

Payments of principal and/or interest in respect of Uncertificated Notes will be made to the Central Securities Depository and/or the Participants and the Issuer will discharge its payment obligations under the Notes by making payments to or to the order of the Central Securities Depository and/or the Participants for distribution to their account holders. A holder of a Beneficial Interest in Uncertificated Notes, whether listed or unlisted, must rely on the procedures of the Central Securities Depository to receive payments under the relevant Notes. Each investor shown in the records of the Central Securities Depository and/or the Participants, as the case may be, shall look solely to the Central Securities Depository or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such Uncertificated Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, such Beneficial Interests.

Holders of Beneficial Interests in Uncertificated Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by the Central Securities Depository to appoint appropriate proxies.

Credit Rating

Tranches of Notes issued under the Programme, the Issuer and/or the Programme, as the case may be, may be rated or unrated. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency. Any adverse change in an applicable credit rating could adversely affect the trading price for the Notes issued under the Programme.

Risks related to the structure of the particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features -

- *Notes subject to optional redemption by the Issuer*

An optional redemption feature is likely to limit the market value of the Notes. During any period when the Issuer may elect to redeem the Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to re-invest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

- *Index-Linked Notes*

The Issuer may issue Notes the terms of which provide for interest or principal payable in respect of such Note to be determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "**Relevant Factor**"). Potential investors should be aware that -

- a) the market price of such Notes may be volatile;
- b) no interest may be payable on such Notes;

- c) payments of principal or interest on such Notes may occur at a different time than expected;
 - d) the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero;
 - e) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
 - f) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and
 - g) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.
- *Notes issued at a substantial discount or premium*

The market values of Notes issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing Notes with comparable maturities.

Modification and waivers and substitution

The Terms and Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Change of law

The Notes are governed by, and will be construed in accordance with, South African law in effect as at the date of this Programme Memorandum. No assurance can be given as to the impact of any possible judicial decision or change to South African law or administrative practice in either such jurisdiction after such date.

SETTLEMENT, CLEARING AND TRANSFERS OF NOTES

Words used in this section entitled "Settlement, Clearing and Transfers of Notes" shall bear the same meanings as defined in the section entitled "Terms and Conditions of the Notes", except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

Uncertificated Notes

Uncertificated Notes listed on the Interest Rate Market of the JSE will be registered in the name, and for the account of the holder of the Notes as reflected in the securities accounts of the Central Securities Depository or the Participant.

The Central Securities Depository holds Uncertificated Notes subject to the Financial Markets Act and the Rules of the Central Securities Depository. The Rules of the Central Securities Depository as at the date of this Programme Memorandum have most recently been updated by the Registrar of the Security Services in Government Gazette No. 35517 of 20 July 2012.

The Central Securities Depository maintains accounts only for Participants. As at the date of this Programme Memorandum, the Participants which are approved by the Interest Rate Market of the JSE as Settlement Agents to perform electronic settlement of funds and scrip are Absa Bank Limited, FirstRand Bank Limited, Nedbank Limited, The Standard Bank of South Africa Limited, the South African Reserve Bank, Citibank N.A., Johannesburg branch and Standard Chartered Bank, Johannesburg branch. The Participants are in turn required to maintain securities accounts for their clients. The clients of the Participants may include the holders of Beneficial Interests or their custodians. The clients of Participants, as the holders of the Beneficial Interests or as custodians for such holders, may exercise their rights in respect of the Uncertificated Notes held by them in the Central Securities Depository only through the Participants. Euroclear Bank S.A./N.V. as operator of the Euroclear System ("**Euroclear**") and Clearstream Banking, société anonyme, (Clearstream Luxembourg) ("**Clearstream**") may hold Uncertificated Notes through the Settlement Agents.

Transfers of Beneficial Interests in Notes in the Central Securities Depository to and from clients of Participants, who are also Settlement Agents, occur by electronic book entry in the securities accounts of the clients with the Settlement Agents. Transfers among Participants of Uncertificated Notes held in the Central Securities Depository occur through electronic book entry in the Participant's central security accounts with the Central Securities Depository.

Beneficial Interests in Uncertificated Notes may be exchanged for Individual Certificates in accordance with the Terms and Conditions.

Payments of interest or principal in respect of Uncertificated Notes held in the Central Securities Depository will be made in accordance with Condition 9 of the Terms and Conditions to the Central Securities Depository or such other registered holder of the Uncertificated Notes shown in the Register and the Issuer will be discharged of its payment obligations under the Uncertificated Note by proper payment to, or to the order of the registered holder of the Uncertificated Note in respect of each amount so paid. Each of the persons shown in the records of the Central Securities Depository and the Participants as the holders of Beneficial Interests, as the case may be, shall look solely to the Central Securities Depository or the relevant Participant, as the case may be, for such person's share of such payment so made by the Issuer to, or to the order of, the registered holder of such Uncertificated Notes.

The Issuer will not have any responsibility or liability for any aspect of the records relating to, or payments made on account of, Beneficial Interests, or for maintaining, supervising or reviewing any records relating to such Beneficial Interests.

Certificated Notes

All Notes not being Uncertificated Notes shall be issued in definitive form and represented by Individual Certificates.

Title to Certificated Notes issued in the definitive form will pass upon registration of transfer in the Register. The Issuer shall regard the Register as a conclusive record of title to the Certificated Notes.

Payments of Interest and principal in respect of Individual Certificates in respect of Certificated Notes will be made to Noteholders in accordance with Condition 9.

SOUTH AFRICAN TAXATION

The information contained below is intended to be a general guide to the relevant tax laws of South Africa as at the date of this Programme Memorandum and does not constitute advice nor does it purport to describe all of the considerations that may be relevant to a prospective investor in Notes. Prospective investors in Notes should consult their own professional advisors in regard to the investment in Notes and the tax implications thereof. Accordingly, the Issuer makes no representation and gives no warranty or undertaking, express or implied, and accepts no responsibility for the accuracy or completeness of the information contained in this section. The information contained below sets out guidelines on the current position regarding South African taxation for taxpayers who hold the Notes.

Words used in this section entitled "South African Taxation" shall bear the same meanings as defined in the section entitled "Terms and Conditions of the Notes", except to the extent that they are separately defined in this section or this is clearly inappropriate from the context. Furthermore, all references to sections are to sections of the Income Tax Act and all references to paragraphs are to paragraphs of the Eighth Schedule to the Income Tax Act, unless otherwise indicated. All references to "interest" means "interest" as such term is understood for purposes of South African tax legislation.

1 SECURITIES TRANSFER TAX

No securities transfer tax will be payable, in terms of the Securities Transfer Tax Act, 2007 (the "**STT Act**"), in respect of either the issue, subsequent transfer and/or redemption of the Notes on the basis that the Notes do not constitute a "security" as defined in section 1 of the STT Act. Any future transfer duties and/or Taxes that may be introduced in respect of (or applicable to) the transfer of Notes will be for the account of the holders of the Notes.

2 VALUE-ADDED TAX

No value-added tax ("**VAT**") is payable on the issue or transfer of the Notes as the Notes constitute "debt securities" as defined in section 2(2)(iii) of the Value Added Tax Act, 89 of 1991 (the "**VAT Act**"). The issue, allotment, drawing, acceptance, endorsement or transfer of ownership of a debt security is deemed to be a financial service in terms of section 2(1)(c) of the VAT Act, which financial service is exempt from VAT in terms of section 12(a) of the VAT Act.

Commissions, fees or similar charges raised for the facilitation of these services will be subject to VAT at the standard rate (currently 14%), except where the recipient is a non-resident for tax purposes, in which case a zero rate may apply.

3 INCOME TAX

3.1 Under current taxation law effective in South Africa as at the date of this Programme Memorandum ("**SA Tax Law**") –

3.1.1 a person who is tax resident in South Africa (being a "resident" as such term is defined in section 1, and hereinafter referred to as a "**SA resident**") will pay income tax on their worldwide income. As such, a Noteholder who is a SA resident will generally pay income tax on all interest accruing in respect of the Notes, subject to any available allowances, deductions or exemptions.

3.1.2 a person other than a SA resident ("**Non-resident**") is liable for income tax in South Africa in relation to all amounts accrued to them from a South African source. As the interest on the Notes are, in terms of SA Tax Law, deemed to be

from a South African source, a Non-resident will be subject to South African income tax on such interest unless it qualifies for the exemption in section 10(1)(h) (the "**Non-resident Interest Exemption**"). In terms of the Non-resident Interest Exemption, interest accruing to a Noteholder who is a Non-resident will be exempt from income tax in South Africa, unless such Non-resident Noteholder is –

3.1.2.1 a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve-month period preceding the date on which interest is received by, or accrues to that person; or

3.1.2.2 the debt (being the Note) from which the interest arises is effectively connected to a permanent establishment of that person in South Africa.

If a Non-resident Noteholder does not qualify for the Non-resident Interest Exemption, relief from the South African tax liability (i.e. an exemption or reduction) may be available under an applicable double taxation agreement ("**DTA**").

3.1.3 In general, any Non-resident Noteholder which falls within the definition of a "foreign company" in section 1 and in respect of which SA residents, directly or indirectly, hold more than 50% of the "participation rights" (as defined in section 9D(1)) or can exercise, directly or indirectly, more than 50% of the voting rights in that foreign company will constitute a "controlled foreign company" (as such term is defined in section 9D(1), and hereinafter referred to as a "**CFC**"). In terms of section 9D, a proportionate amount of the "net income" (as contemplated for purposes of section 9D) of the CFC will be included in the income of such SA resident shareholder, subject to certain exclusions.

3.2 As the South African ("**SA**") tax implications for Noteholders will depend, to a large extent, on the tax residence status of a Noteholder, including whether a Non-resident Noteholder constitutes a CFC, Noteholders are advised to consult their own professional advisors as to their residency and CFC status under SA Tax Law.

3.3 Section 24J provides for certain amounts to be treated as interest for SA tax purposes and regulates the accrual and incurral of interest. Under section 24J any discount or premium to the face value of the Notes is treated as interest and deemed to accrue to the Noteholder on a day-to-day basis until maturity or until such time as such Noteholder disposes of its beneficial interest in the Note. The day-to-day accrual for purposes of section 24J is determined by calculating the "yield to maturity" in accordance with the provisions of section 24J.

3.4 Section 10(1)(i) provides for certain amounts of interest accruing to SA residents who are natural persons to be exempt from SA tax.

3.5 A Noteholder falling within the definition of a "covered person" in section 24JB will be subject to tax on the Notes in accordance with the provisions of section 24JB and not on the aforementioned yield-to-maturity basis and Noteholders are advised to seek advice as to whether these provisions apply to them.

3.6 Section 8FA provides for the reclassification of interest paid in relation to, amongst others, subordinated debt. Interest payable under the Notes are excluded from the ambit of section 8FA by virtue of the provisions of section 8FA(3)(c)(ii).

3.7 To the extent that any subsequent disposal of the Notes by a Noteholder gives rise to a gain or loss, the normal principles should be applied to determine whether such gain or loss should be treated as an income or capital gain or loss for purposes of the

Income Tax Act. Capital gains or losses on the disposal of Notes by Noteholders who are SA residents will be subject to the capital gains tax provisions in the Eighth Schedule to the Income Tax Act. Noteholders are advised to consult their professional advisors as to whether a disposal of Notes will give rise to a capital gains tax liability.

- 3.8 In terms of the Draft Rates and Monetary Amounts and Amendment of Revenue Laws Bill (the **Draft Rates Bill**), published on 24 February 2016 concurrently with the 2016 Budget Speech, the inclusion rates for capital gains for individuals and companies will be increased from 33.3% to 40% and from 66.6% to 80%, respectively. This will raise the maximum effective capital gains tax rate for individuals from 13.7% to 16.4%, and for companies from 18.6% to 22.4%. The effective capital gains tax rate for trusts will also increase from 27.3% to 32.8%. Assuming that the Draft Rates Bill is passed into law (which is highly likely), these new rates will become effective for years of assessment beginning on or after 1 March 2016, applying in respect of disposals that are made on or after that date.
- 3.9 Noteholders who are not tax resident in South Africa will generally not be subject to capital gains tax on the disposal of Notes unless the Notes are capital assets attributable to a permanent establishment of such Non-resident located in South Africa.
- 3.10 For SA resident Noteholders who hold the Notes for speculative purposes, profits not already forming part of interest in accordance with the provisions of section 24J will be subject to income tax. Non-resident Noteholders who derive speculative profits in relation to the Notes from a SA source will also be subject to income tax in SA on such profits, subject to allowances, deductions and/or relief under a relevant DTA.

4 **WITHHOLDING TAX ON INTEREST**

From 1 March 2015, a withholding tax on interest, calculated at a rate of 15% on the amount of any interest paid to Non-resident Noteholders on or after that date will apply, subject to any available DTA relief and provided the interest is not subject to normal tax in terms of the rules explained above. Interest on Notes that are listed on the Interest Rate Market of the JSE will, however, be exempt from the withholding tax on interest. Any interest paid to a CFC and which interest was subject to the withholding tax on interest will not be taken into account in determining the "net income" of such CFC.

SUBSCRIPTION AND SALE

Words used in this section entitled "Subscription and Sale" shall bear the same meanings as defined in the section entitled "Terms and Conditions of the Notes", except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

In terms of (and subject to) the Subscription Agreement, the Issuer may from time to time agree with the Dealers to issue, and the Dealers may agree to place, one or more Tranches of Notes.

Republic of South Africa

Prior to the issue of any Tranche of Notes under the Programme by the Issuer, each Dealer for that Tranche of Notes will be required to represent and agree that it will not solicit any offers for subscription for or sale of the Notes in that Tranche of Notes, and will itself not sell Notes, in South Africa, in contravention of the Companies Act, the Banks Act, 1990, the Exchange Control Regulations and/or any other Applicable Laws or regulations promulgated thereunder. In particular, without limitation, this Programme Memorandum does not, nor is it intended to, constitute a prospectus (as that term is defined in the Companies Act) and each Dealer will be required to represent and agree that it will not make "an offer to the public" (as that term is defined in the Companies Act) of any of the Notes in that Tranche of Notes (whether or subscription or sale) and any regulations promulgated thereunder. Notes will not be offered for subscription to any single addressee for an amount of less than ZAR1,000,000.

United States of America

The Notes have not been and will not be registered under the United States Securities Act, 1933, as amended (the "**Securities Act**") and may not be offered or sold within the United States or to, or for the account of or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Prior to the issue of any Tranche of Notes under the Programme by the Issuer, each Dealer for that Tranche of Notes will be required to represent and agree that -

- (i) the Notes in that Tranche have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account of or benefit of, U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act;
- (ii) it has not offered, sold or delivered any Notes in that Tranche and will not offer, or sell or deliver, any Notes in that Tranche (i) as part of their distribution at any time or (ii) otherwise until 40 (forty) days after completion of the distribution, as determined and certified by the Dealers or, in the case of an issue of such Notes on a syndicated basis, the relevant Lead Manager, of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons;
- (iii) it will send to each dealer to which it sells any Notes in that Tranche during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of such Notes within the United States or to, or for the account or benefit of, U.S. persons;
- (iv) it, its affiliates and any persons acting on its or any of its affiliates behalf have not engaged and will not engage in any directed selling efforts with respect to the Notes in that Tranche and it, its affiliates and any persons acting on its or any of its affiliates' behalf have complied and will comply with the offering restrictions requirements of Regulation S.

Until 40 (forty) days after the commencement of the offering of a Tranche of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

United Kingdom

Prior to the issue of any Tranche of Notes under the Programme by the Issuer, each Dealer for that Tranche of Notes will be required to represent and agree that -

- (i) it has not offered or sold, and prior to the expiry of a period 6 (six) months from the Issue Date in respect of each Tranche of Notes will not offer or sell, any Notes in that Tranche to persons in the United Kingdom, except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or in circumstances which have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations, 1995 of the United Kingdom;
- (ii) it has complied with and will comply with all applicable provisions of the Financial Services and Markets Act, 2000 (the "**FSMA**") with respect to anything done by it in relation to the Notes in that Tranche in, from or otherwise involving the United Kingdom; and
- (iii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in that Tranche in circumstances in which section 21(1) of the FSMA does not apply to the Issuer.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the prospectus directive (each, a "**Relevant Member State**"), each of the Issuer and Dealers have represented and agreed that, with effect from and including the date on which the prospectus directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**"), it has not made, and will not make an offer of Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State -

- (i) in the period beginning on the date of publication of a prospectus in relation to those Notes which prospectus has been approved by the competent authority in that Relevant Member State in accordance with the prospectus directive and/or, where appropriate, published in another Relevant Member State and notified to the competent authority in that Relevant Member State in accordance with Article 18 of the prospectus directive and ending on the date which is 12 (twelve) months after the date of such publication;
- (ii) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (iii) at any time to any legal entity which has two or more of (a) an average of at least 250 employees during the last financial year; (b) a total balance sheet of more than €43 000 000; and (c) an annual net turnover of more than €50 000 000 as shown in its last annual or consolidated accounts; or
- (iv) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the prospectus directive.

For the purposes of this provision, the expression an "*offer of Notes to the public*" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Member State by any measure implementing the prospectus directive in that Member State and the expression "**Prospectus Directive**" means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

General

Prior to the issue of any Tranche of Notes under the Programme, each Dealer for that Tranche of Notes will be required to represent and agree that it will (to the best of its knowledge and belief) comply with all Applicable Laws in force in each jurisdiction in which it purchases, subscribes or procures subscriptions for, offers or sells Notes in that Tranche or has in its possession or distributes this Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of Notes in that Tranche under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, subscriptions, offers or sales.

Each Dealer for a Tranche of Notes will be required to represent and agree that it will comply with such other or additional restrictions in relation to that Tranche of Notes as the Issuer and such Dealer agree and as are set out in the Applicable Pricing Supplement.

Neither the Issuer nor any of the Dealers represent that Notes may at any time lawfully be subscribed for or sold in compliance with any applicable registration or other requirements in any jurisdiction or pursuant to any exemption available thereunder or assumes any responsibility for facilitating such subscription or sale.

SOUTH AFRICAN EXCHANGE CONTROL

Words used in this section entitled "South African Exchange Control" shall bear the same meanings as defined in the section entitled "Terms and Conditions of the Notes", except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The comments below are intended as a general guide to the current position under the Exchange Control Regulations, 1961 as promulgated under the Currency and Exchanges Act, 1933, as amended, (the "**Regulations**") and are not a comprehensive statement of the Regulations. The information below is not intended as advice and it does not purport to describe all of the considerations that may be relevant to a prospective subscriber for, or purchaser of any Notes. Prospective subscribers for, or purchasers of any Notes who are non-South African residents or who are emigrants from the Common Monetary Area are urged to seek further professional advice in regard to the subscription for, or purchase of any Notes.

Non-South African Resident Noteholders and Emigrants from the Common Monetary Area

Dealings in the Notes and the performance by the Issuer of its obligations under the Notes may be subject to the Regulations.

Blocked Rand

Blocked Rand may be used for the subscription for or purchase of Notes. Any amounts payable by the Issuer in respect of the Notes subscribed for or purchased with Blocked Rand may not, in terms of the Regulations, be remitted out of South Africa or paid into any non-South African bank account.

Emigrants from the Common Monetary Area

Any individual Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed "emigrant". Such restrictively endorsed individual Certificates will be deposited with an authorised foreign exchange dealer controlling such emigrant's blocked assets.

In the event that a Beneficial Interest in Notes is held by an emigrant from the Common Monetary Area through the Central Securities Depository and its relevant Participants, the securities account of such emigrant will be designated as an "emigrant" account. All payments in respect of subscriptions for Notes by an emigrant from the Common Monetary Area, using Blocked Rand, must be made through an authorised foreign exchange dealer controlling such emigrant's blocked assets.

Any payments of interest and/or principal due to an emigrant Noteholder will be deposited into such emigrant's Blocked Rand account, as maintained by an authorised foreign exchange dealer. Interest payments are freely transferable and may be credited to the emigrant's non-resident Rand account. Payments in respect of principal are not freely transferable and will be credited to the emigrant's Blocked Rand account.

Non-residents of the Common Monetary Area

Any individual Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed "non-resident". In the event that a Beneficial Interest in Notes is held by a non-resident of the Common Monetary Area through the Central Securities Depository and its relevant Participants, the securities account of such Noteholder will be designated as a "non-resident" account.

It will be incumbent on any such non-resident to instruct the non-resident's nominated or authorised dealer in foreign exchange as to how any funds due to such non-resident in respect of Notes are to be dealt with. Such funds may, in terms of the Regulations, be remitted abroad only if the relevant Notes are acquired with foreign currency introduced into South Africa or with Rand from a non-resident Rand account and provided that the relevant Certificate or securities account is designated "non-resident".

For the purposes of these paragraphs –

the **Common Monetary Area** comprises South Africa, the Republic of Namibia, the Kingdom of Lesotho and the Kingdom of Swaziland; and

Blocked Rand means funds which may not be remitted out of South Africa or paid into a non-South African resident's bank account. The relevant legislation relating to Blocked Rand is the Regulations promulgated under the Currency and Exchanges Act, 1933.
