Foreword by the Group Chief Executive Officer

Sanlam was built on a commitment to always doing things right for our stakeholders. This promise underpins our core values as well as our professional and ethical behaviour. As a Group we are proud of our values and committed to ethical and responsible corporate behaviour in all our dealings.

We have a responsibility to ensure that we uphold this commitment at all times through all our operations and engagements. Our Code of Ethical Conduct forms the basis of our ethics programme and applies to all Sanlam businesses and employees. The Code aims to ensure that our behaviour is aligned with our core values and serves as a guide to ensure that we uphold the highest level of integrity and ethical conduct.

Your commitment to upholding our values and ethical behaviour is a key driver to our success. I therefore encourage you to remain true to the Sanlam Way of doing the right thing and doing it well.
