

## Fees in respect of a Private Body

- The head of the private body must notify the requester (other than a personal requester) by notice, requiring the requester to pay the prescribed fee (if any) before further processing the request. A personal requester does not pay such a fee. [s 22(1)]
- The fee that the requester must pay to a private body is R140. The requester may lodge an internal appeal or an application to the court against the tender or payment of the request fee. [s 22(3)(b)]
- The head of the private body will then make a decision on the request and notify the requester in the required form.
- If the request is granted then a further access fee must be paid for the search, reproduction, preparation and for any time that has exceeded the prescribed hours to search and prepare the record for disclosure [s 22(6)]
