

## THE ONE FUND TRUST SOLUTION - BALANCED PORTFOLIO

The One Fund Trust Solution (Sanlam Segregated Model Portfolio Companies SPC) provides a simple choice of three risk-tailored model portfolios.

Each Portfolio invests in a range of asset classes to help provide diversification. The Portfolios are constructed through analytics and research conducted by the Sanlam UK Multi Asset team. The portfolios consist of low-cost passive and active funds and are rebalanced on a quarterly basis.

Strategic asset allocation is utilised with the primary goal of creating an asset mix that seeks to provide the optimal balance between expected risk and return for a long-term investment horizon.
