Please read all the information in this annexure carefully and ensure you understand it. The *Annexure A* section does not have to be returned with your completed additional investment form.

About Hedge Fund Unit Trusts

- When you invest in a hedge fund unit trust (also called a collective investment scheme), your money is pooled with the money of other investors. This pool of money is used to buy a portfolio of assets, such as shares (equities), bonds or listed property. As an investor, the value of the units you own is calculated by taking the number of units you own and multiplying them by the latest ruling price per unit.
- For information on unit trust hedge funds and how they work, along with our full range of funds and the relevant Minimum Disclosure Documents, please visit our website at www.sanlamhedgefunds.com or alternatively you can call us on +27 (21) 916 6910.
- When you complete this form, you apply to buy units in the hedge funds of your choice in line with the Trust Deed and mandate of the relevant funds. The Minimum Disclosure Documents explain how each fund invests and what applicable fees will be charged.
- If funds are deposited on a Saturday, Sunday or public holiday, investors will receive the next available price.

Fees and charges

- A full list of our funds, a schedule of fees and charges and maximum commissions is available on the Minimum Disclosure Documents available on www.sanlamhedgefunds.com
 - The following charges are levied against the portfolio: brokerage, auditors' fees, performance fees, service fees, applicable taxes, custodian fees, bank charges, trustees' fees and trailer fees (trailer commission is paid by Sanlam to financial advisers on a monthly basis; it forms part of the annual service charge, which is a fixed percentage per annum that is calculated and deducted daily from the accrued income in the portfolio).
 - These fees are charged to the client: Sanlam manager's fees as well as broker advice fees.
- Commission and incentives may be paid and if so, will be included in the overall costs. The fund manager may borrow up to 10% of the portfolio to bridge insufficient liquidity.
- The client will be liable for any bank charges incurred as a result of a payment being rejected by the bank.
- An additional investment, switch or transfer within your current portfolio may result in a change to the Effective Annual Cost (EAC) calculation. An updated calculation can be obtained by using our EAC calculator when visiting the Secure Services Portal at <https://cp.sanlam.co.za>. Alternatively you may your adviser or contact us on 0860 100 266.
- Contained within the TER are expenses that relate to the investment management fee, the service costs and performance fee. Performance fees are calculated by comparing the annual return of the Fund and Performance Fee Benchmark which is set in the Fund Minimum Disclosure Documents. Performance fees will only be charged if the Fund return is in excess of the performance Fee Benchmark. All fees are accrued daily in the Net Asset Value (NAV) of the Fund.

Transaction cut-off times

- Qualified Hedge Funds trade on a monthly basis. All repurchase instructions will only be finalized when the month end NAV has been strike, i.e. investors will remain as investors in the funds irrespective of when SCI receives the repurchase instructions. Any interest received by SCI during mid-month before purchase instructions can be executed, will accumulate and paid to investors (invested with the original capital amount) for credit of investors.
- Please make sure you send us your completed instruction (including supporting documents) and proof of deposit before the transaction cut-off time. The SA business day transaction cut-off times for our funds is 14:00.
- We can only process your instruction once we have received the correct and accurately completed form and the required supporting documents. If an instruction is issued incorrectly, is unclear, incomplete, or if the supporting documents are not received by the cut-off time, the processing of the transaction will be delayed.
- We will process your investment only when all the required documentation has been received. Your transaction will be priced using the ruling price of the fund for the day the transaction is processed. Any loss will be for the investor's account.
- Any interest earned on:
 - money deposited for investment in a fund after the specified cut-off time,
 - incorrect deposits or,
 - deposits for applications with outstanding requirements, will not be paid to the client as we are unable to transfer the money in the fund(s) account.

Conflict of interest

All actual and potential Conflicts of Interest are managed, reported and disclosed in line with the Managers Conflicts of Interest and Outsourcing Policy which is available on request, or on the Sanlam website www.sanlamhedgefunds.com

Ownership, information security and instructions

- The legal owner of the investment is the person in whose name the investment is registered, regardless of who the payer is. If the legal owner is a minor, we will only accept instructions from their legal guardian. We will only release information to, and act on instructions from, the investor, the authorised signatory or the appointed financial intermediary.
- We permit ring-fencing for large withdrawals in terms of Notice 573 of the Collective Investment Schemes Control Act. Ring-fencing is the separation of assets and the delayed sale of units in a unit trust fund, in the event of a large sale of units within the fund, subject to certain conditions. This ensures that the sale of a large number of units will not force us to sell the underlying investments at a price in the market which could have a negative impact on other investors. We may delay paying the proceeds of the sale of units. If your sell instruction is affected by this ring-fencing, the payment and the value of your withdrawal could be impacted. In the event of this, we will contact you to discuss the process, where applicable.
