DISCLAIMER: Performance figures are gross of multi manager fees, gross of fixed fees charged by investment managers and net of any performance fees (where applicable) charged by investment managers. Performance figures for periods greater than 12 months are annualised. All data shown is at the month end. Changes in currency rates of ex-change may cause the value of your investment to fluctuate. Past performance is not necessarily a guide to the future returns. The value of investments and the income from them may go down as well as up and are not guaranteed. You may not get back the amount you invest. The underlying type of investments must comply with the type of instruments as allowed by the LTIA and the portfolio must comply with Regulation 28 of the Pension Fund.
