

Fund Description

The fund is designed to target long-term investment growth at risk and volatility levels similar to those of a typical balanced fund. The active, multi-managed approach ensures that selected asset managers will manage a portion of the overall portfolio in accordance with Shari'ah investment principles. The fund invests in a wide variety of domestic and international asset classes such as equity, sukuks and listed property. The fund aims to outperform its benchmark over rolling three-year periods.

Total Investment Costs (TIC)

Total Expense Ratio (TER)	Transaction Costs (TC)	Total Investment Charges (TER + TC)
1.14%	0.15%	1.29%

The TER was incurred as expenses relating to the administration of the Financial Product. The TC was incurred as costs relating to the buying and selling of the assets underlying the Financial Product. The TIC was incurred as costs relating to the investment of the Financial Product. A higher TER does not necessarily imply a poor return, nor does a low TER imply a good return. The current TER may not necessarily be an accurate indication of future TER's.

The TER shown above is based on the highest fee tier where applicable and is calculated as at 31 March 2021.
